

## 2022-2023 Request for Review of Income

Complete the following form if the student and/or spouse/parent has experienced a change in their income during the 2022 calendar year. The request will be evaluated based on the documentation submitted. If your request is approved, the information on the FAFSA will be updated and the Expected Family Contribution (EFC) will be recalculated. Recalculation of the EFC does not guarantee a change to the student's federal aid award. To ensure fairness and compliance with the federal regulations, there are limits to which circumstances can be considered. Income reductions are considered on a case-by-case basis.

**Approval of request does not guarantee receipt of additional aid.**

**You must have completed the 2022-2023 FAFSA at [fafsa.gov](https://fafsa.gov) before this request can be processed.**
