Letter provided to ARP grant recipients June 2021

Dear CCTC Titan,

Central Carolina Technical College is happy to report that we are able to continue to assist students with federal COVID-19 relief funding. This funding continues to help college students whose lives have been disrupted, many of whom still face financial challenges and struggle to make ends meet. This emergency financial aid grant is designed to help cover expenses, such as tuition, fees, books, food, housing, course materials, technology, health care, and childcare.

The legislation requires that colleges make grants based on the needs of students. Therefore, the amount you receive will differ depending on whether or not you are eligible for Pell Grant this academic year. Remember, these funds are not a loan and will not be considered in your financial aid award package for this academic year.

As a student enrolled in the Summer 2021 semester, you qualify for this student emergency grant. Pell grant eligible students will receive \$1,000 and others will receive \$700. **If you have a current balance due to the college, it is highly recommended you use these funds to pay towards your balance. If you do not, you will need to make payment arrangements with the billing office for any balance due. Unpaid balances will result in late fees, holds placed on your account, inability to receive grades/transcripts, or register for the next semester until paid.**

The funds will be sent through the normal Bank Mobile refund process this Friday, June 4, 2021. Make sure your refund preference has been selected with BankMobile. For more information about BankMobile, visit this link: <https://bankmobiledisbursements.com/student-experience/>.

REMINDER: Registration is open for Fall classes. Classes begin August 23, 2021.

Please do not hesitate to contact us at 803-774-3350 or 803-774-3322 if you have any questions. Please stay healthy and safe.

Respectfully,

Dr. Pollock
