

MISSION STATEMENT AND PROGRAM OUTCOMES

Mission – To prepare graduates for employment in numerous helping professions and/or transfer to baccalaureate programs in human services or related fields. Graduates have the skills, knowledge and ethics of the human service discipline in order to provide services in a wide variety of agency programs and community settings.

2018-19 Student Learning Outcomes

1. Demonstrate the ability to identify components of the interview/assessment process and applications.
2. Develop awareness of their own values, personalities, reaction patterns, interpersonal styles and limitations.
3. Demonstrate knowledge of issues related to the ethical standards of the human services profession and the ability to follow ethical guidelines.
4. Demonstrate knowledge of theories and skills in order assist various human systems: families, small groups, organizations and social systems.
5. Demonstrate the ability to be productive and effective in a human services delivery system and an understanding of their role, abilities and limitations as an entry-level human services worker.
6. Basic understanding of crisis intervention skills and applications.
7. Demonstrate the knowledge of the history of the human services profession and the evolution of its various delivery systems.
8. Demonstrate knowledge and skills in systematic analysis of service needs; planning appropriate strategies, services, and implementation; and evaluation of outcomes.
